TRAIL LIFE USA KNOWS

Faithful Catholics desire to Walk Worthy in the Light of Christ!

In a world where youth struggle in an environment of moral relativism and ethical compromise, we share our mission and commitment to delivering a male focused youth program to develop a generation of Catholic leaders living as disciples of Christ, empowering them with the tools for a spiritual life, and fostering their faith through God's glorious creation.

The National Catholic Committee of Trail Life USA (www.CatholicTroops.com) is committed to assisting parishes in building the domestic church while strengthening their parishes through a Christ-centered outdoor adventure program that promotes the teachings and traditions of the Roman Catholic Church and the sanctity of life.

Catholic Trail Life Troops operate under the auspices and authority of their parish (Charter Organization), celebrating the fullness of the faith while developing character and integrity in a youth ministry.

WHAT DOES TRAIL LIFE USA OFFER MY PARISH?

When you become a Charter Organization with Trail Life USA, we will:

- Provide access to a fully-developed and expanding framework for Troop activities including: a handbook, uniforms, character and leadership-developed curriculum, awards and advancements, and outdoor adventure opportunities
- Leadership training through Area teams
- Provide world-class youth health and safety coverage, policies and programs including background checks
- Provide liability and accident/sickness insurance that covers all members engaged in Trail Life USA activities — on or off your premises
- Provide extracurricular ministry materials—or the framework for you to insert yours—while we reward progress with badges, patches and rank advancements

To Charter your Troop with Trail Life USA, you simply:

- Select a Charter Organization Representative, who will build a team that oversees the functions of the Troop with the assistance of an Area Volunteer Representative and the Home Office
- Integrate the Trail Life USA Troop as an outreach of your ministry, offering service opportunities to your congregation and provide a place to meet.

In the current environment of legal threats to Christian churches, Trail Life USA's charter organizations will have greater First Amendment protections because of the alignment of their beliefs with TLUSA's Statement of Faith and Values, to which all charter organizations and adult members are required to subscribe.
